

# Fees and Discounts for Adult Students

## Terms and conditions

Learning a language is a journey and a commitment in terms of time and money. We know this and our fees and discounts aim to reward our returning students for their commitment and for their loyalty.

### Main Terms and Summer Courses

Our **academic year** (September-June) consists of four main terms. In each main term, you have regular classes for eight weeks as part of your course.

Our **summer courses** (June-July) are shorter and more flexible, so you can fit your learning schedule around your holiday plans.

### Returning Students

You are a returning student, if you take courses with us in consecutive main terms (re-register) or if you have taken a course with us at any period since September 2024.

To reward you as a returning student, we have:

- a loyalty discount – which is currently BGN 65 for General English and BGN 79 for Business English courses;
- special fees if you can pay in advance for two or more terms at once (10%, 15% or 20%);
- special re-registration offers/discounts which will vary from term-to-term.

**Bring a friend and you will both get a 5% discount. New students at Business Park Sofia get an additional 15% off on all type of courses.**

Unless otherwise stated, discounts only apply to 32-hour General English and Business English courses in the main terms. Bring a friend discount is valid on all adult courses in our main teaching centre (Krakra 7) and in our teaching centre at Business Park Sofia. New student 15% discount is valid on all courses in our teaching centre at Business Park Sofia for students who haven't studied with us before. Discount is valid only for courses at Business Park Sofia and is applied only on the first term.

Discounts are personal and non-transferable.

Discounts cannot be combined – except for Bring a friend discount and New students at Business Park Sofia discount, where stated, special re-registration and loyalty discounts.

We aim to offer students a range of face-to-face and online courses.
