

Pre-Primary – Summer 2025

Pre-Primary is the British Council’s global English language programme for pre-primary children.

Classes will be face-to-face at the British Council on Krakra Street and at our new teaching centre in Business Park Sofia.

Working with small groups (maximum: twelve students), our specialist Early Years teachers are all supported by a trained Classroom Assistant.

Pre-Primary	
Pre-Primary (Lower/Green): Age 4-5	Pre-Primary (Higher/Yellow): Age 6-7

Our Summer Pre-Primary courses are a playful and effective introduction to English in a safe, supportive classroom environment.

Lessons are fun! We use games, songs, and stories to explore the shapes (letters) and sounds of English, and we use phonics to teach students to read and write.
